Frontend Web Application(2025)Bangalore|+91 6360437421 | rachanasirige123@gmail.com| LinkedIn: [www.linkedin.com/in/rachana-ss/](https://www.linkedin.com/in/rachana-ss/)

## PROFESSIONAL SUMMARY

Detail-oriented MCA graduate with hands-on experience in testing and validating web applications built using HTML, CSS, JavaScript, React-based UI, and database-backed systems. Experienced in UI validation, API testing support, defect tracking, and ensuring responsive, high-quality web and application interfaces.

## SKILLS

- HTML, CSS, JavaScript UI Validation
- API & Database Validation
- UI Debugging & Defect Reporting
- Performance & Usability Testing

## TOOLS & TECHNOLOGIES

HTML, CSS, JavaScript (UI Validation)  
React  
Nodes.js  
MongoDB / SQL (Basic Queries)  
VS Code

## PROJECT EXPERIENCE

### **E-Commerce Real Estate Web Platform | Jun 2025 – Dec 2025**

- Validated responsive UI developed using HTML, CSS, and JavaScript across desktop and mobile views
- Tested React-based pages for property listing, search, and user dashboard functionality
- Verified API-integrated data displayed on UI against database records
- Performed UI debugging, usability testing, and cross-browser testing (Chrome)
- Executed functional, regression, and integration testing for end-to-end
- Identified, logged, and tracked UI and functional defects
- Validated backend data using SQL queries to ensure data integrity

## EDUCATION

Master of Computer Applications (MCA) | 2024 – 2025  
East Point Group of Institutions, Bangalore

Bachelor of Computer Applications (BCA) | 2020-2023  
Government Science College, Chitradurga

## CERTIFICATES

- IBM – Python for Data Science
- TCS iON – Career Edge: Young Professional
- Python Development Training – Infotact Solutions
